

our days at Darby Junior High School and he has been a dear friend ever since. He earned his bachelor and master's degrees from the University of Arkansas and started working for Sebastian County in 1976 as an administrative assistant. Two decades later, he was elected to his first term as the Sebastian County judge.

Judge Hudson spent his career improving the financial management of the county while continuing to implement critical projects. Without raising taxes, he led the renovation of the county courthouse, an expansion of the county jail, and construction of a new courts building, waterpark, and EMS facility, all of which have greatly served the county and its residents.

He was also a champion for the creation of the State's first crisis stabilization unit, which I had the privilege of visiting with Judge Hudson. He worked closely with law enforcement, prosecutors, and mental health professionals to see the completion of this project to provide an alternative to jail and emergency rooms for people experiencing a mental health crisis. Throughout his career, he has been a champion for law enforcement, the court system, and our first responders, and I appreciate his dedication to solving these important issues.

Judge Hudson distinguished himself as an advocate for the community and a champion of the people who call the region home. Before being elected as county judge, he managed the Sebastian County Emergency Medical Services for 15 years. He also served in a number of roles including as an educator at the former Westark Community College, as well as an active member and leader of numerous civic organizations and State and local boards and commissions.

I congratulate Judge David Hudson for his outstanding work and years of service to Sebastian County. I appreciate his friendship and excellent leadership which has resulted in improvement and growth throughout the county. I wish him all the best in his retirement.●
